

## Lara Inebriate Retreat Patient Index 1907-1919

The Lara Inebriates Retreat, described in the Victoria Government Gazette as a "a place for the reception, control and treatment of inebriates", was opened on 1 July 1907 on the Lara Estate, purchased from the Closer Settlement Board for £9,282.

Consisting of 600 acres, the retreat accepted both voluntary patients and those committed to the institution by the courts.

This index consists of over 1,100 names and covers there period 1907-1919

Each individual listed has a corresponding entry in VPRS 7479 - Register of Patients, which will provide the following additional information:

- date of admission
- admission number
- date of last previous admission
- age
- marital status
- occupation
- previous place of abode
- religion, and
- once examined by a medical officer, the form of mental disorder and state of physical health
- details of the death, discharge or transfer of the patient

If you would like a digitised copy of the complete entry from VPRS 7479, please send an email with the name of the individual to [research@archivalaccessvictoria.com](mailto:research@archivalaccessvictoria.com)
