

TIP SHEET - Downloading Victorian Parish & Township Maps Online

This tip sheet will show you how to download parish and township maps from the PROV website.

These maps can be used to identify parcels of land belonging to a particular person and also to identify file numbers that can be used to access various land files.

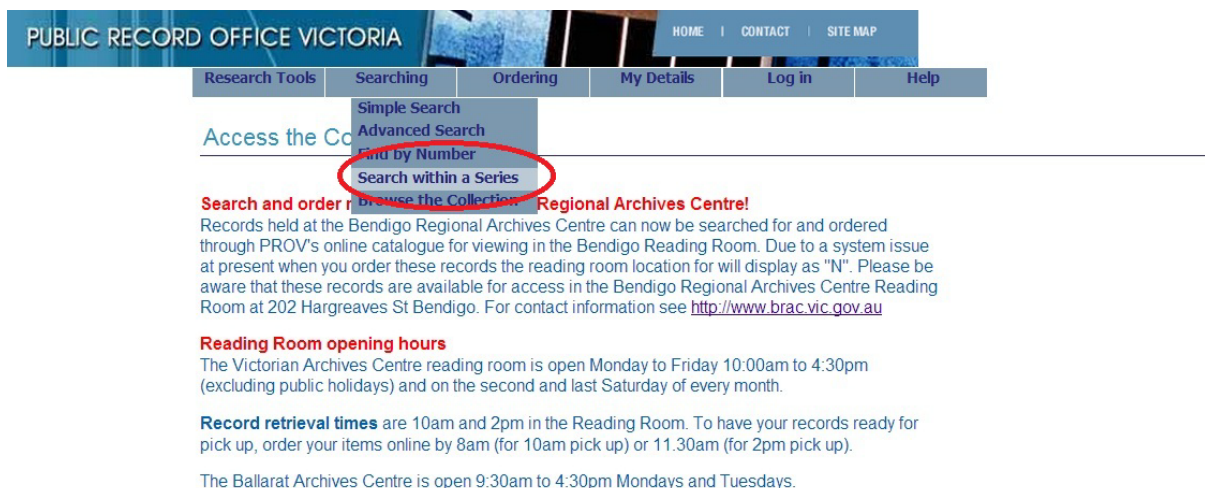

STEP 1

Go to www.prov.vic.gov.au and click on the 'Access the Collection' link.

STEP 2

Hover your mouse over the 'Searching' button, and select 'Search within a series'.

STEP 3

In the 'VPRS' field, type 16171

In the other field, type the name of the parish or township map you are looking for, in this example, Wodonga has been used.

Click the 'Search' button
